Alliance Overview

Amadeus, a leading global technology and distribution partner to the travel industry, and Concur, a leading provider of on-demand employee spend management solutions, have entered into an alliance to bring key technologies together for a combined travel and expense management solution to extend their core offerings.

This agreement includes:

- Integration of travel bookings from Amadeus eTravel Management (AeTM) into Concur® Expense
- Unique integration of Amadeus core distribution technology into Concur® Cliqbook Travel – the first time Amadeus has provided this type of technology to a third party.

This extension of the companies' vision gives Concur and Amadeus customers even greater choice for integrated travel and expense management solutions (Amadeus eTravel Management integrated to Concur Expense or Concur® Travel & Expense). Through the strategic alliance, Concur and Amadeus continue their commitment to global and local market leadership and together, are setting the pace for providing global distribution and content.

About Amadeus e-Travel Management

Amadeus' corporate travel solution, Amadeus e-Travel Management, helps corporations manage their global travel programmes more efficiently and cost-effectively. The solution helps business travellers plan, personalise and purchase their trip while remaining compliant with the global travel policy. Over 3,500 corporations worldwide use Amadeus e-Travel Management to integrate all the elements of their programmes into one intuitive and easy-to-administer solution. Customers include Altría, Cemex, Daimler, Ericsson, Huntsman, Nestlé, Total and Thales.

About Amadeus

Amadeus is the chosen technology partner and transaction processor for the global travel and tourism industry. The company provides distribution and technology solutions to help its customers adapt, grow and succeed in the fast changing travel industry. Customer groups include travel providers (airlines, hotels, car rental companies, railway companies, ferry lines, cruise lines, insurance companies and tour operators), travel sellers (travel agencies) and travel buyers (corporations and travellers). Amadeus operates under a transaction-based business model that offers IT solutions to virtually all players in the travel industry. The Amadeus system processed more than 670 million billable travel transactions in 2009. Learn more at www.amadeus.com/corporations.

About Concur Expense

Concur Expense automates and streamlines the expense reporting process helping to decrease instances of fraud, reduce expense report costs and increase efficiency. Corporate card data is automatically imported and pre-populated into the expense report, saving time and improving accuracy.

About Concur

Concur is the world's leading provider of on-demand Employee Spend Management services. Trusted by thousands of organizations to reach millions of employees, Concur's award-winning solutions streamline business travel and expense reporting, and improve invoice processing – delivering rapid ROI by helping companies increase efficiency, control employee spend and drive down operational costs.
